

Building Brands with LMO

LMO is the full-service marketing communications agency for building product manufacturers.

LMO WHY LMO?

We combine continuous learning and innovation with decades of experience elevating building product brands. For example, our efforts helped a client create the variable-speed heat pump category in the US market and increase annual sales from \$60 million to over \$1.3 billion.

DIFFERENTIATORS

- Ardent students of client brands and building industry products
- Attuned to industry and mainstream conversations, sentiment, news, events, trends and legislation
- Proven track record of helping brands establish building product categories and secure both market and thought leadership

YOUR B2B STRATEGY

We collaborate with you to develop and execute a comprehensive B2B campaign strategy. Our team streamlines planning, identifies tactics and tailors efforts to reach your prospects and customers. LMO enables B2B success with public relations, technical content, paid media and creative services.
